

## Consul Harry ter Braak To Present Last Lecture Of Pan Politikon Series

General University Convocation To Be Held At 10 A. M. Monday, Memorial Hall

Harry ter Braak, consul of the Netherlands at St. Louis, will speak at the convocation sponsored by Pan Politikon, at 10 a. m. Monday, March 22, in Memorial hall. The topic of his address will be "The Netherlands and Its People."

Concluding the series of lectures, illustrated talks, and exhibits sponsored by Pan Politikon in its study of the Netherlands during the month of March, the Convocation is open to all members of the faculty, student body, and townspeople.

A joint dinner meeting of the faculty study class in International Relations and Pan Politikon will be held at 6:45 o'clock, the same day, in the Commons. Consul ter Braak will discuss the "House of Orange" at the dinner meeting, held in his honor.

Features of the dinner will be folk songs of the Netherlands presented by Irene Foster, soprano, and Netherlands music which will be played by a group under the direction of Alex Capurso, instructor of music at the University high school.

During his stay here, Consul ter Braak and his wife will be the guests of President and Mrs. McVey at Maxwell Place.

## Seven Delegates From University To Attend Study

Seven delegates will represent the University at the Berea Inter-Racial seminar, held on Saturday and Sunday, March 20 and 21, at Berea College. Students and faculty leaders from Fisk University, Tennessee Agriculture and Industrial school, Louisville Municipal, Union College, and Kentucky State Industrial will take part in the seminar.

Representatives of the University are Dean Sarah G. Blanding, Elizabeth Cowan, W. C. A. secretary and chairman of the Kentucky state area, Dorothy Whalen, Theo Nadelstein, Ann Lang, Ruth Johnson and Frances Sadler.

## Honorary To Hold Initiation Dinner

Breckinridge Inn of Phi Delta Phi will hold its annual spring initiation and banquet starting at 5 p. m. Saturday, March 20, in the Gold room of the Lafayette hotel.

The banquet will start at 6:15 o'clock. At the speaker's table will be Judge H. Church Ford, federal circuit judge; Owen D. Keller, assistant attorney-general; W. J. Moore, charter member of the local chapter and now head of the department of economics at Eastern State Teachers' College; Dean Alvin E. Evans, and the following members of the law faculty: Dr. Frank Ransom, Dr. Frank Murray, and Dr. Amos Eblen. Magister Jack Kyser will preside.

Students who will be initiated are: James Allen, Fredericksburg, Ind.; Henry G. Boldrick, Lebanon; Clarence Farley, Pikeville; Douglas Graham, Campton; Palmer Hall, Prestonsburg; Edward Kee, Lexington; Paul Oberst, Owensboro; James Ruark, Uniontown; James Terry, Williamsburg; Robert Van Bever, Pineville; Robert Woods, Ashland, and John Young, Winchester.

## Leaders To Hold Special Services

Special initiation services will be held by Omicron Delta Kappa, honorary campus leaders society, at 6 o'clock Sunday in Memorial hall for Morton Potter, newly elected member. A dinner at the Patio restaurant will follow the services.

Plans for the coming national convention at Atlanta, Ga., were made by the group at a meeting held late yesterday. The Kentucky circle will present model initiation services at the meeting.

## KIWANIS CLUB HEARS JUDICIARY DEBATE

Advantages and disadvantages of President Roosevelt's supreme court reorganization plan were heard in the form of a debate between Dr. John W. Manning, of the political science department, and John Crosby, Lexington attorney, at the weekly luncheon-meeting of the Lexington Kiwanis club in the Lafayette hotel Tuesday.

Each debater made a 12-minute talk, with Dr. Manning taking the affirmative side, upholding the President's proposal, and Mr. Crosby, speaking for the negative side, opposing the proposal.

## OLDEST ALUMNUS DIES

Napoleon B. Hays, who was said to be the oldest living alumnus of the University, died Wednesday night at the home of his daughter in Tampa, Fla. He was 86 years of age and died after an illness of two months. Mr. Hays was graduated from the University in 1861. He was attorney general of the state of Kentucky from 1880 to 1904.

## No Campus-Hop To Be Held This Week

Due to the state high school basketball tournament being held this week-end in the Alumni gymnasium, there will be no All-Campus Hop this week, Dean T. T. Jones announced yesterday.

A definite date for the next hop will be announced later, Dean Jones said, as the series of formals after the Easter holidays will occupy all of the available dates.

## CWENS-ODK GIVE '37 SING PLANS

Rules Governing All-Campus Song Fete To Be Held At 7:30 o'clock April 12 Are Announced

Complete rules for the annual Cwens-ODK All-Campus Sing, to be held at 7:30 o'clock April 12 in Memorial hall, were released yesterday by the committee in charge.

Under the new rules each sorority, fraternity or residence hall may enter only one group, although any number of town groups may enter. Each chorus may have a minimum of twelve and a maximum of twenty-four members.

Two verses of the Alma Mater will be required as one selection of each group, and the other either a spiritual, semi-classical, or fraternal song. The use of accompaniment or accompanist by any group is optional.

All applications for participation in the sing must be made by noon, April 6, one week before the affair, at the Kernel business office in McVey hall, or by telephoning Mary Jane Roby, 2208-Y, or Roger Brown, 2691. A nominal charge of 50 cents will be made each chorus entering the contest to cover incidental expenses.

A new point in the rules is the one providing that no chorus must have a coach who is not one of the members of the group and no outsider may coach any group. Also any directing done during the presentation of numbers at the sing must be done by one of the group from the stage.

The All-Campus Sing is classed as a formal competition and those participating are requested to dress in formal wear. Women in the various groups are asked to dress in as uniform color as possible.

The object of the sing is to encourage and develop better and more singing among the fraternity, sorority, and other groups on the campus.

## Dormitory Co-Eds To Sponsor Dance

Program To Include Songs, Trucking Contests And Individual Dances

An "Easter Dormitory Dance," sponsored by the co-eds of Boyd and Patterson halls for all University men, will be held from 8 to 11 o'clock on Monday, March 22, in Patterson hall, with Andy Anderson's orchestra providing the music.

This is the second in a series of dormitory dances being planned by the Boyd and Patterson hall students because of the success of the first dance which was held between semesters.

The program, planned by Martha Chauvet, includes a trucking contest open to all guests, the winner of which will be decided by popular applause. Nancy Todd, accompanied by Jack Spencer, will present several songs. A tap dance by Virginia Dyer, and an exhibition dance by Dorothy Opdyke and Cab Curtis will form a part of the floor show, all the plans for which have not yet been completed.

Chairman of the dance from Patterson hall is Mary Scott, who will also announce during the evening, and the chairman from Boyd hall is Grace Silverman, with Elizabeth Rogers in charge of the reception committee.

## PERSHING RIFLEMEN TO ATTEND MEETING

A group of Pershing Rifle members left today for Indiana University at Bloomington to attend the meeting of the first and third regiments of Pershing Rifles on March 20. The group included Robert Stivers, Harry Bullock, Richard Butler, M. R. Downey and Fred Flowers.

On Sunday they will leave for the University of Illinois to set the date and make arrangements for the Pershing Rifle drill to be held at Champaign in the Spring.

## FISK'S ETCHINGS SHOWN

A group of etchings by Edward R. Fisk, assistant professor of art, was placed on exhibit Monday at the University of Louisville.

## BAND OF LITTLE JACK LITTLE SET FOR JUNIOR PROM

Nationally Famous Orchestra To Play At Annual Dance To Be Held Monday, April 5

AFFAIR SCHEDULED FROM 8:30 TO 12

Bobby Stiltz Herds Committee Of Five In Charge Of Arrangements

Little Jack Little and his orchestra have been obtained for the Junior Prom to be held from 8:30 until 12 o'clock, Monday, April 5, in the Alumni gymnasium, the Prom committee announced yesterday.

Little Jack Little has had one of the most spectacular ascensions to fame in radio. Several years ago, after piano "solo" engagements in vaudeville, he turned his attention to radio, touring the Nation's largest radio stations for a music publisher, and later fulfilled several network contracts for CBS and for WLW in Cincinnati, besides guest appearances on nation-wide programs.

In 1933, he organized his first orchestra for broadcast and personal appearances, and spent the spring of that year on a tour of theatre engagements throughout the East. His opening at Lexington hotel in New York in November of 1933 officially started a series of hotel dance broadcasts over CBS which have won him a nation-wide following of listeners. Since that time he has played at such famous spots as the Steel Pier in Atlantic City, the Continental grill of the St. Moritz hotel in New York, the Morrison hotel, Chicago, Catalina Island Casino, and the Palmer House in Chicago.

Little Jack Little is known almost as well as a composer as an orchestra leader. Some of his most popular melodies have been "Jealous," "Hold Me," "Shanty in Old Shanty Town," "I Promise You," "After I've Called You Sweetheart," and "Because They All Love You." He is master of the "song-and-pattern" type of singing, which he himself calls the "intimate parlor voice" method.

Members of the general committee for the Junior Prom are Bobby Stiltz, chairman, Leon McCroskey, Roger Brown, James Kelland, and Taber Brewer.

## NEW SOUR MASH READY MONDAY

Campus Humor Bible, Bursting With Scandal, Wit, Features and Literature On Sale Monday Night

With an anticipation of Easter and a remembrance of "Hell Week" as a theme, the April edition of Sour Mash, expected to be on sale Monday, will seek the "ferne halwes and sondry londres" of the campus and find headquarters for distribution at the Campus Book Store, the "Barrel," and such saloons as the fraternities and sororities will put into the field.

Bursting like the buds of spring with new "wim and wigor," the monthly humor magazine will display its wares behind a surprise front cover that itself will sell the magazine. It will follow its success of previous issues with a prominent place devoted to "candid" camera shots, the Biological Didge, "Scoop" Nadelstein's column, "From Our Personal Files," the Mash Barrel, cartoons, and gags. The feature of the Mash Barrel will be a satire on Hell Week—the feature of the "Didge" is the editor's comment that it is the "loudest yet."

Novelities of the edition that strive for a new high in humor include an article on "College Lines" which speaks for itself, a "Definition of Women" which must have been a laborious undertaking, and a "Kissing Survey" which promulgates the ancient art of osculation on the "first date." All must read what Kentucky's own lassies have to say concerning this burning question.

The winners of the "Gag Contest," which was announced last month, will be revealed to a vast awaiting public.

## Dutch Paintings In Library Display

More than 40 facsimile reproductions of 17th century Dutch masterpieces were placed on exhibit in the Art Center and Library by the department of art in connection with the Pan-Politikon study of the Netherlands.

Among the masterpieces on exhibit are several rare drawings, including Rembrandt's portrait of Hendrickje Stoffels.

Ten of the choicest reproductions are on display in the lobby of the Library. They include works by Vermeer, DeHooch, and Terborch. Outstanding among the works being shown in the Art Center are large landscapes by Ruysdael, Hofema, and Vermeer. Also in the Art Center is a large painting by Rembrandt.

## Holiday Dates Released By Registrar

The annual Easter holidays will officially begin at 8 a. m. Thursday morning, March 25 and will end at 8 a. m. Tuesday, March 29, the office of the Registrar announced yesterday.

Release of these dates shows that classes will continue Wednesday afternoon and not end Wednesday noon as reported.

## Nelson Eddy Wins Capacity Crowd's Warm Adulation

Renowned Screen And Radio Baritone Presented At Henry Clay

Combining gracious personality with thrilling voice, both of which electrified his hearers, Nelson Eddy appeared in concert Tuesday night at Henry Clay auditorium, under the auspices of the Central Kentucky Community Concert association.

Mr. Eddy's tones are full and deep; his diction extremely clear and well-rounded. The restraining quality of his lower notes—generally considered one of the most difficult points of musical technique—is remarkable. His stage presence embodies the simple poise of disarming boyishness rather than the aloof type of the more widely travelled concert artist. Into all his selections he injects a part of his magnificent personality. The comic and the tragedian are equally well portrayed.

His program included groups of French, Russian, German, and English selections. Among his encores were Moussorgsky's popular and amusing "Song of the Flea," and in finale, Victor Herbert's "Ah, Sweet Mystery of Life." Apparently the audience was primed for an overwhelming reception, particularly on the last encore, as was evidenced by their numerous recalls.

Theodore Paxson, accompanist, displayed a facile grace and delicate technique of execution, skillfully holding place with an artist such as Mr. Eddy.

Lexington has indeed been fortunate, as she is the smallest city in the country to receive Nelson Eddy. Prof. R. D. McIntyre, secretary of the association, announced four definite bookings with a tentative fifth to be chosen by applause from the audience, for the season 1937-38.

Included are Katherine Meisle, contralto of the Metropolitan Opera company; Joos European Ballet of 28 dancers; the Barfere-Britt concert ensemble of piano, violin, flute, and cello; and John Charles Thomas, baritone and leading member of the Metropolitan Opera company.

Guilomar Novace, brilliant woman pianist from Brazil, was chosen by the assembly for the fifth program. Led memberships may be renewed before the final concert, April 6, the following week will see an open campaign for reservations. Due to the limitations of seating capacity, only regular ticket prices will be offered. There will be no student tickets on sale.

## LAW ARGUMENT GROUP CHOSEN

Four Men Chosen By Lexington Attorneys To Present Annual Case Before Kentucky Court Of Appeals

Four men in the College of Law were qualified in preliminary hearings held last week in the College to participate in the annual argument presented by University law students before the Kentucky Court of Appeals.

Those chosen were H. G. Boldrick, Lebanon; Bert Combs, Manchester; J. L. Davis, Paris, and Garvie D. Kincaid, Richmond. These men were chosen through a series of preliminary hearings at which Lexington lawyers acted as judges. In the first preliminaries judges were attorneys Williams Cecil, J. W. Jines, and Joseph Webb, and in the second hearings the judges were Chester D. Silvers, Elmer Drake, Paul H. Mansfield, F. Derond Dewees, and Harry J. Stamper.

The argument before the Court of Appeals has been a custom in the College of Law for many years. The exact date for the hearing has not been set, but will be some time in April.

## NOT CHAIRMAN OF BOARD

Prof. W. Lewis Roberts, College of Law, has informed The Kernel that he is not chairman of the Federal Labor Relations Board as stated in Tuesday's issue, but is a member of the group. The Kernel regrets this error.

## TUTHILL SPEAKS TO TAU BETA

Dr. Edward Tuthill, head of the history department, was the principal speaker at the meeting of Tau Beta Phi, honorary history fraternity, Monday afternoon in the Woman's building. Doctor Tuthill spoke on "The Legend in History."

## Women's Glee Club To Present Final Sunday Vesper Program

The University Women's Glee club, under the direction of Mildred Lewis, assisted by John Shelby Richardson, pianist, as soloist, will present the final Sunday Afternoon Musicale of the season at 4 o'clock on March 21, 1937, in the Memorial auditorium. Sue Durham Griffith will be the piano accompanist for the Glee club.

This will be the first appearance of the Women's Glee club this season under the direction of Miss Lewis, due to the fact that she was on leave of absence during the first semester. Programs prepared under Miss Lewis' direction are noteworthy for their artistry and musicality. The fifty-two young women who make up the personnel of the Glee club this season will make an attractive picture in their gowns of pastel shades. Special Palm Sunday decorations will be used on the stage.

John Shelby Richardson is a member of the piano faculty of the University and has been prominently identified with musical activities in Lexington for several years. He has many friends throughout Kentucky who will be interested in hearing him on Sunday afternoon.

The program to be presented follows:

## EDUCATORS HEAR PROF. FARQUHAR

Several Other Speakers Are Heard At Dinner Meeting Of Blue Grass Executives Club Tuesday

Declaring that "the professional way of looking at athletics is prejudiced and bigoted," Prof. E. F. Farquhar, member of the department of English, told a dinner-meeting audience of the Bluegrass School Executives' club Tuesday night at the Lafayette hotel, that "if I could stop all athletics in the Nation for three years, we would go to war." Athletics is a "safety valve" and is a method of rehabilitating the flesh," Professor Farquhar continued.

Dr. W. D. Nicholls, president of the Kentucky Association of School Board Members, described efforts to promote effective cooperation between its members and school superintendents.

The Rev. Dr. Hampton Adams, of the Frankfort city board of education, spoke on "The Relationship Between the P-T-A, the School Executive, and the Board of Education."

Dr. A. B. Crawford, of the bureau of school service, president of the group, presided. More than 125 members of the club from 22 central Kentucky counties attended.

The Kentucky congress of parents and teachers presented a skit, "The P-T-A Before a Jury," arranged by Mrs. A. B. Crawford.

## Glee Club Tours Eastern Kentucky

Eight Appearances To Be Made; Prof. Lampert Will Conduct

The University Glee club, under the direction of Prof. C. A. Lampert, will leave Lexington early Wednesday morning, March 24 for a concert tour of Eastern Kentucky and will return Sunday morning, March 28. They will be accompanied on the trip by Elmer G. Sulzer, head of the University department of publicity.

Wednesday morning the group will give a performance at Alvin Drew school at Pine Ridge. From there they will go to Jackson where they will appear at the Jackson city school auditorium at 1:45 Wednesday afternoon. The remainder of their program includes presentations at the Hazard city school auditorium on Wednesday evening at eight o'clock; Thursday afternoon at Jenkins high school; Thursday evening at Whitesburg high school; Friday evening at Pineville high school; Saturday evening at Sue Bennett College, London, Kentucky.

Harlowe F. Dean, Jr., baritone, and Don Galloway, tenor, will be soloists on programs during the tour.

## Ag Organizations To Pledge April 6

All Honorary Agricultural Fraternities To Induct At Banquet

All agricultural honorary organizations will hold pledging services at the all-College of Agriculture banquet that will be held at 6:45 o'clock, April 6, in the University Commons.

Jesse W. Tapp, Washington, D. C., president of the Federal Surplus Corporation, and Mrs. Ed R. Gregg, Louisville, member of the Central Dairy Council, will be the speakers at the banquet. They are graduates of the College of Agriculture and are outstanding in their respective fields of work.

A musical program has been arranged. The College of Agriculture orchestra will play several popular numbers. There will be group singing and some selected vocal numbers.

Tickets may be secured from Astor Akers, George Kurtz or David Pettus.

## U-HIGH DEBATERS WIN

The University high school debating team won an unanimous decision over the team from Frankfort high school in a debate held at the Training school Tuesday. Louise Galloway and Billy Adams represented the University high school. Judges for the debate were Marvin Moore, W. L. Wallandingham, and Henry Adams, all students in the College of Law.

## BULLETIN

Newport High school defeated Carrollton, 43-19 in the final game of yesterday's play while 6,500 fans, the largest crowd ever to witness the first day play, looked on. At the half, Newport was ahead 20-6, and had no difficulty with its weaker opponent in any part of the game.

Hazard High school, a favorite over the Knox team, in the semi-windup of last night's session of the 19th annual Kentucky high school basketball tourney, won by a score of 28-15. The other tilt of the first night play was won by Inez, which defeated College High.

Combs, Hazard guard, was the outstanding player on the floor, guarding excellently and taking top scoring honors with eight points. Miles of Knox, a 6 foot, 2 inch center, led his team with seven tallies.

## HERE SHALL THE KERNEL ALL STUDENT RIGHTS MAINTAIN

### SPRINGTIME IS CLEAN-UP TIME

An admirable and constructive project has been inaugurated this year by the council of the Association of Women Students. Little published, it is little known—but not of corresponding consequence. On the contrary, it is of extreme importance, not only to the material events surrounding the situation, but also to the morale of the University campus. We refer to the campaign for cleaning up campus politics.

Apparently, we are not alone in this idea. The University of North Dakota has recently installed the merit system of election. Each activity on the campus has been rated as to merit, points ranging from one to 25. Applicants for candidacy were rated accordingly; the 10 highest being automatically placed on the ballot.

University of Montana students conducted an effective campaign through the formation of a new party called the Vigilante. Members of the opposite party retaliated during the Vigilantes' rally the night before the primary election with a shower of over-ripe eggs. Consequently, "the next day saw all Vigilante candidates in the finals." Two weeks later, all but two of the Vigilante candidates went into office. As a result, Montana has "the most representative, and efficient Central Board in years."

Swarthmore College states that "the idea of campus politics is foreign" to its organization. The principal reason given is the small size of the institution. Following is a brief summary and evaluation of Swarthmore's non-political election system: "The governing body of the M. S. G. A., the Executive Committee, is made up of representatives of the five fraternities, and the non-fraternity men are proportionally represented. The present committee of eight

has three non-fraternity representatives, elected by the non-fraternity men. The two officers of the committee are elected by preferential ballot, and there is no collusion in that limited election."

At Louisiana State University the usual precautions have been taken in elections, but the main incentive for the change from wrong to right appears to be student attitude. Further toleration of unfair elections is not in force; the office of the dean of student affairs serves as a clearing house for any infraction of rules.

In many veins of education, the state of Kentucky has been called unprogressive. This is a matter of dispute, but it is not for the State University to merit a similar epithet. Emulation of the campus attitude of our fellow Southerners would be most beneficial at this time.

## CUTTIN' UP THE CAMPUS

with THEO NADELSTEIN

### SPEAKING IN SUPERLATIVES

The most heart-warming greeting is, "Gosh, it's good to see you again!"... the most flippant greeting is, "Hya Toots!"... the most annoying greeting is, "You again?"... the most dignified greeting is, "Good morning, professor!"... the most useless greeting is, "Whaddya know?"... the most unflattering greeting is, "Hi, bat-brain!"... the most welcome greeting is, "Can I give you a lift?"... the most pulse-throbbing greeting is, "Hello, beautiful!"... the most prosaic greeting is, "What's new?"... the most stoog-like greeting is, "Hello, you dope!"... and the best greeting is a wink!

DON'T LOOK NOW, BUT—that chair you just sat down in has me in it!

### THEO-RIES:

Clothes can make the man  
IF  
they are on certain coeds  
OTHERWISE  
they're just clothes!  
Early to bed and early to rise  
Makes a man healthy, wealthy, and wise  
IF  
He's over ninety and needs the sleep  
OTHERWISE  
It just makes him healthy!

### I OFFER CAMPUSALUTES:

1. To the coed who can talk intelligently to her heartbeat—because she'll find it a definite asset when she's worried about keeping him interested, after the first romantic glamor has worn off!
2. To the professor who goes more than halfway to make friends with his students—because students, despite their sophisticated veneer, are shy about making such friendships on their own initiative, and appreciate it when they're helped.
3. To people with true senses of humor—because you can always depend on them to be tolerant and rational in their attitudes towards other people and themselves.
4. To the collegians who are enthusiastic about big national doings and interested in modern ideas and progress—because they're helping students to break away from the "rah rah" brand which has been placed on them since the post-war, flaming youth days.
5. To campus celebrities who develop a sense of proportion—because it will keep them from frittering away their energy and time on meaningless organizations and adolescent problems.

## Hoovey Pollui

By FRANKLIN DRYDEN

The lovely weather which has hung over our campus like a funeral pall does much to inspire this lousy columnist on to greater misdeeds such as telling on the boy over in Breckinridge hall named Richard Lewis, who spends all his spare time "cuttin'" out paper dolls from the daily papers that come his way. Authoritative sources reveal that he has a 20 gallon suitcase full of the fool things. I bet some children still believe in Santa Claus...

Rumors are running riot these days. Now it is reported that more big bands are on the way... Little Jack Little for the Junior Prom and Duke Ellington for the Senior Ball... With all the miracles that are being performed around here lately, who knows maybe the Phidels will have Hal Kemp just for the heck of it...

The height of independence goes to Elizabeth Jewell this week for her determination to keep her ears warm. Is seen flashing a kaleidoscope plaid ear muff affair that would set an old placid cud-chewing huffer wild as the proverbial March hare... But after all she "muffet" get her delightful ears chilled...

All-Southeastern (two years to be exact) Ralph Carlisle is being caught in one of the local sorority houses quite frequently of late. She is none other than Teenie Cooper, the close second to Quigley as a home wrecker.

P. S. I bet Carlisle would make one heck of a good hog-caller...

In view of the recent narrow escapes of various pedestrians out here I have been asked to print the following open letter in hopes that the right people will read it:

"Some day, my ill-mannered friend, you are going too far. Some day, when you swerve around a street corner, you are going to clip the buttons off the wrong pedestrian's vest, and he is going to catch up with you, haul you off your comfy upholstery and deal you the smacking-down you deserve. You're a veritable titan of self-assurance, aren't you, when you're behind an eight-cylinder engine? But how do you look on your feet? Are you the same dashing, imposing, self-assertive personage for whom the rest of the world must make room? Would you dare shove another man aside; would you jostle a six-footer? You would not for your grubby little inferiority complex has been sublimated by a shot of gasoline.

"And what's the reason for this breakneck rush of yours anyway? You're in an automobile. You'll arrive at your destination 10, 15, or 20 times quicker than the pedestrian you're crowding back on to the curb—is your business 10 times more urgent than his? My, my, what an important fellow you are! What vast designs, what momentous projects must occupy your waking hours to justify such impatience."

The automobile, it seems, is the devil's gift to the Little Man. Put him in control of a motor car and he's cook o' the walk. But if you suddenly yanked that ton or two of iron and steel out from under him, you'd find a measly nonentity with the mental setup of a grammar school bully.

With the high school basketball tournament in full swing, it is quite a job to keep track of the college folk, what with little blondes and brunettes running wild underfoot. The Tavern and Dunns looked like penny lunch rooms yesterday... With our freshmen trying to act like teachers... 'S funny what one year of college will do to a person.

### Stardust

Our aspiring managing editor, Ross Chepelev speaks French and Russian almost as fluently as he does English... Yeah, I know, that doesn't mean much... Anna Bess Clarke hasn't spoken to this morning columnist since we almost committed a great mistake, or should we say slip... If Hilton Wallace would only come through and spill the works on Neville Tatum and his girl down at Louisville we would have a column full in itself... Polly Dawson's ribs are doing nicely, thank you... The KA's were certainly suckers to let Senator Flippen referee their basketball game the other night... Kitty Mahan and Jimmy Hagler have become fixtures at Dunn's during the noon hour... Jimmy Norvell is a regular visitor at Patterson hall these days... Her name is Jimmy too, just a coincidence—so says Bill Authur who evidently spends his spare time there too... Guess I'm about the best Fiddlesticks player on south Maxwell street... But Camels have nothing to do with it...

## Compulsory R. O. T. C. Abolished By N. D. Legislature

Compulsory military training has been abolished in North Dakota. The action resulted from the enactment of a bill which passed the North Dakota House on Jan. 28 by a vote of 80 to 46, the Senate on Feb. 9 by a vote of 28 to 20, and was signed by Gov. William A. Langer on Monday, Feb. 15. Drafted as a measure "forbidding compulsory military training and tae-

ties in state-supported educational institutions," the new law will have the effect of ending compulsory enrollment in the R. O. T. C. units at North Dakota Agricultural College (a land grant institution) and at the University of North Dakota. By its adoption of this measure North Dakota becomes the third state to shift military training in its land grant and state institutions from a compulsory to a voluntary enrollment basis. In 1923 the shift was made at the University of Wisconsin by act of the Wisconsin legislature; a similar change was made at the University of Minnesota in 1934 by decision of the University's Board of Regents.

In addition to the land grant institutions which have already made the change, at least, thirteen other colleges and universities, since 1923, have shifted their R. O. T. C. units from a compulsory to voluntary enrollment basis, or have abolished them entirely. To date the list reads as follows:

University of Wisconsin, 1923; Pomona College, 1924; Boston University, 1926; College of the City of New York, 1926; De Pauw University, 1927; Georgetown University, 1927; California Institute of Technology, 1929; Northwestern University (Dental College), 1929; Emory University, 1930; University of Cincinnati, 1931; Rose Polytechnic Institute, 1932; University of

Utah, 1933; University of Minnesota, 1934; New York University, 1935; North Dakota Agricultural College, 1937; University of North Dakota, 1937.

During the same period, according to our information, no institution of higher learning has shifted military training from a voluntary to a compulsory enrollment basis. The accumulating evidence suggests that there is a slow but steady tide running against compulsory drill.

FAVORITE FOR YEARS WITH YOUNG MEN

WHEN Hollywood wants to film a scene requiring hundreds of "extras," it makes a telephone call—and gets them.

This is made possible by a central casting bureau, whose amazingly fast service is based on systematic use of the telephone. This organization has a telephone switchboard where as many as 30,000 calls a day are handled in bringing actors and producers together.

Another example of the value of telephone service to business and social America. It is the constant aim of Bell System men and women to make it ever more useful—constantly better.

Keep in closer touch with home—by telephone. Rates to most points are lowest after 7 P. M. and all day Sunday.

## Shop Sights

By BETTY EARLE

Whether the proverbial sun "shines bright" in the old Kentucky home or not, you'll still want to be "Easter-fied" with a new hat. Regardless of the weather, pulling that new chapeau out of yards and yards of tissue paper does you more good than all the spring tonics in the world! A new note is struck in Panamatic, the fine, closely woven straw, spring's latest. Its brim is turned up and bound in matching grosgrain. A twist of crepe encircles the shallow crown, while two fringed flowers peep from beneath the rear brim. It's in regal blue—at Mitchell, Baker, Smith. Ballbunt is used for the high-crowned black straw which flattens over the back of your head. Grosgrain bands of royal blue, Kelly green, and thistle point from front to back into a flat bow of thistle ribbon. Yes, you're going to hear a lot about this shade called thistle—it's becoming increasingly popular! About a felt in that tint—a very clever one was unique for its brim made of two strips of felt stitched to roll back nearly to its little crown. Grosgrain outlined its flat top and continued into a loop and tails. In any other age the impudent model with its feather perched almost directly in front would have been the town's joke. Not so now—it's cute!

Just before Easter we really can't exclusively styled for you are the Carolyn fashions shown at B. B. Smith's. For a spring afternoon you'll like the frock of celanese crepe panelled down the front. Its best notes are the puffed sleeves of alternating crepe and embroidered organdie—also the streamers trailing from neck to hem. Then there's the sheer type in a jacket style, brief and fitted with rounded print revers. A corresponding flash of print appears in the removable gilet of the fluffy-sleeved dress. The rest we just can't tell you—except to look in the latest Vogue at the double page of Carolyn's "sky fleet of fashions"—the Jerkin-Jacket frock, square-shouldered capes, the printed coat-plain frock redingote style, the jigger-jacket costume, the Chesterfield redingote and—well, really, we're getting tired!

neglect the men-folks. Graves-Cox says gabardines, plaids, and chalk stripes are the patterns. The styles in the latter two are double-breasted, full drape (no foolin', we know what we're talking about!)—that is, built up shoulder and chest line. Gabardines are single- or double-breasted with sport backs. They may be used, you know, with any odd pair of slacks. English "peg legs" go with striped hosiery and heavy brogues. The main fashion note this spring for you men is contrast! You don't even have to say you're color blind to excuse that gray hat with a brown suit! We women have to have color; you men must have contrast!

## Peace Week Plan Of Local Group

A Lexington Peace week, the central subject of which will be keeping America out of foreign wars, was planned Wednesday at a luncheon meeting of the Emergency Peace Campaign committee of Lexington at the Kentuckian hotel. Glen Dalton, director of the Midwestern area of the Emergency Peace Campaign, was present.

Various methods of a continuing campaign of education for peace were discussed, and it was agreed that this week of April 18 to 24 would be selected as a period in which the subject of peace might be emphasized. Plans for this week are not yet definite but include a number of outside speakers and cooperation with various local groups.

Those present at the meeting were Edgar Z. Palmer, chairman, Rev. Warner L. Hall, Miss Anna Pherigo, Prof. E. G. Trimble, the Rev. Hayes Farish, Miss Elizabeth Hanson, Rev. Frederick E. Ross, Miss Elizabeth Cowan, and Mr. John Benson. The next meeting has been arranged to meet next Wednesday for luncheon.

## Advertising Contest Open To UK Women

Announcement of the third University advertising contest for women enrolled in advertising courses, sponsored by Gamma Alpha Chi, national professional advertising fraternity for women, has been received by Prof. Victor R. Portmann of the department of journalism.

The purpose of the contest is to promote greater interest in the activities of women advertising students. Three prizes will be given, a first prize of \$5.

The contest this year will be along the line of direct mail. Contestants must submit a letter of application to an imaginary company, stating personal qualifications, educational and practical background upon which potential capabilities are based, and reasons for wanting a position with that firm. Entries should be addressed to Mary Gist, president Gamma Alpha Chi, 3219 West 21st Street, Los Angeles, Calif.

## DRIVE BEING BUILT TO MAXWELL PLACE

Construction of a new gateway and widening of the driveway leading to the president's home is now under way, according to Maury J. Crutcher, superintendent of buildings and grounds.

"The existing entrance, built in the 'horse and buggy' days, is inadequate for present day needs, and is not conducive to the safety of automobiles using it," declared Mr. Crutcher.

A bronze tablet, cast by C. D. Kennard in the non-ferrous foundry, will be placed on one of the two pillars which form the entrance. The plaque, which will be 18 inches high by 20 inches wide, will be inscribed as follows: Maxwell Place, University of Kentucky, President's House. Eventually every University entrance will consist of stone columns which will present a desirable uniformity.

## Seeing Sport Stuff

By LOUIS HAYNES

THE NINETEENTH STATE HIGH SCHOOL basketball tournament opened yesterday afternoon at 1 o'clock with Midway and Horse Cave as the participants. Eight games between all sixteen teams in the tournament were played with the feeling running high on all the squads that each must win and take back the honor.

The drawings showed several interesting things about the chances of some of the quintets. First, that Midway and St. Xavier, both strong favorites in the carnival, if luck is on their side, will play in the semi-finals. The other semi-final match should find Inez meeting either Hazard or Newport. Much of the dynamite will be packed in the semi-finals.

Led by Spicer and Evans, the S. A. E. won the fraternity division in the intramural basketball tournament by defeating the Phi Tau 24 to 17 Tuesday night in a game that was all S. A. E.'s. At one stage of the game they held a 16 to 4 lead. In the independent division the Chipmen came from behind to beat the Tartars in an overtime game 20 to 18. The "Chips," trailing from the start, picked up speed as the game progressed and were moving in high at the conclusion of the tilt.

On looking over all the tournament contests it is difficult to select an all-tournament team that would please everyone, but here goes for what this writer thinks the best men in both divisions. First, the fraternity:

Forwards—Patton, DTD; Waincott, PKT; Evans, SAE.  
Guards—Butler, SX; Carl, DTD; Patterson, Tris.  
Centers—Spicer, SAE; Wilson, Tris.

Honorable mentions—Combs and

## SCHEDULE FOR TENNIS TEAM ANNOUNCED

The University tennis team just released their 1937 schedule showing 13 matches already made and three that are uncertain, with the opening meet on April 22 against Indiana University on our courts.

The schedule is as follows (games marked with star are at home):

April  
22—\*Indiana University.  
24—\*Wayne University.  
26—Berea.  
28—University of Tennessee.  
29—Georgia Tech.  
30—University of Georgia.  
May  
1—University of the South.  
7—Michigan State.  
8—Notre Dame.  
14—Vanderbilt.  
15—University of Cincinnati.  
16—University of Tennessee.  
22—Berea.

Anderson, DTD; Boland, SX; Terrell, PKA; Higdon, KA.

For their consistency and steadiness throughout their games, the following players are the best in the independent group:

Forwards—Baril, Tartars; Carrigan, Chipmen; Lewis, Tartars.  
Guards—Brewer, Tartars; Robinson, Chipmen; Combs, UK Independents.

Centers—Hendrich, UK Independents; Hinklebein, Lawyers.

Other independent men who played well, but were nosed out of the first squad are Soper, UK Independent; Earl and Davis, Chipmen; and Hallan, Tartar.

The tennis schedule which made its appearance this week shows many interesting facts. One item that should be of interest to tennis followers is the playing of seven matches on our University courts six of which should be "world-beaters."

Indiana University opens our season with a match slated for April 22 on our courts. From then on through May 22 there are 13 meets that have already been scheduled and 3 that are in the making at the present time.

Some of the best teams that we play here are Indiana, Wayne, Michigan State, Notre Dame, Vanderbilt, Tennessee, and Berea. On the road we have matches with Berea, Tennessee, Georgia Tech, University of Georgia, University of the South, and University of Cincinnati.

Coach H. H. Downing states that he hopes to have the team outside practicing in a couple of weeks. At the present time they are in the gym four times a week getting the feel of the racket and rounding into shape.

The men who are out for the team are as follows: Evans, Co-captains D. Randall and Montgomery, Donohue, Botta, Bostin, Wisner, Jackson, Lynch, Englehardt, Miller, Berryman and E. Randall. The manager is Bill Young and the freshman manager is George Burke.

The freshmen tennis players have not been issued a call for practice yet, but whenever the weather clears up and the men can go outside, their sessions will start. There are many likely looking fresh and they should have a successful season.

The University swimming team, which met Morehead Wednesday night, won another match 41 to 34. This was Morehead's first meet of the season and with more experience they should prove to be one of the best teams in the state.

Last week-end's snow curtailed football practice, forcing them into the gym. After we get that field house, weather conditions will not hinder our sport squads in training. When the building is completed it will result, at least, in eleven well conditioned men being placed on the field for all games.

The final North American Davis Cup tennis series will be played at Forest Hill, L. I., May 29, 30, and 31.

The Washington and Lee Generals won the Southern Conference basketball title by defeating the University of North Carolina 44 to 33.

Recorder equalled the world's record when he stepped 3 furlongs in 33 seconds to pay \$190.80 for a \$2 win ticket at Hialeah Park.

## SAE NOSES OUT CHIPMAN FOR NET CROWN

Sigma Alpha Epsilon's flashy quintet won the intramural basketball championship by defeating Chipmen 28 to 24 in an over-time period Wednesday night in the Gym Annex.

With only a few seconds remaining in the last half, Robinson sank a one-handed shot for Chipmen to tie the score at 24 points. Spicer, SAE forward, pushed two consecutive cripes through the hoop in the extra period to clinch the victory.

Spicer, with 11, and Evans, with 10 points, were the big guns in the SAE attack. Carrigan, elongated center, led the Chipmen offense with 10 points. The floor work of Robinson, diminutive forward, was outstanding for the runners-up.

After two minutes of play, Chipmen's quintet jumped into a 3 to 0 lead. Evans sank a crisp to send SAE ahead 7 to 6 at mid-half. After trailing 13 to 7, Chipmen rallied in the closing moments to cut the SAE lead to 13 to 12 at half-time.

In the second half the lead saw-sawed back and forth with the score being tied six times. With 5 minutes remaining, Chipmen led 22 to 18. Evans then made two successive one-handers to tie the score.

In the over-time period, Spicer's four points proved to be the margin of victory, as the Chipmen five failed to sink numerous follow-up shots.

Chipmen won the Independent title Tuesday night by rallying to conquer Tartar in the waning minutes 20 to 18. SAE's champions downed PKT 25 to 18 in the Fraternity league finals.

Mickey Cochran, vice-president and manager of the Detroit Tigers, states that he expects to do most of the catching for his club this year.

Leslie Howard  
says Luckies are "tops" with  
his throat

"Years ago, as an ambitious young actor, I was impressed how well my throat liked Luckies and how well they suited my idea of a perfect cigarette. That impression still stands. In my recent tour of 'Hamlet', with its many performances each week and the attendant tax on my throat, I have been convinced anew that this light smoke is both delightful to my taste and the 'top' cigarette for an actor's throat."

Leslie Howard

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Mr. Howard verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.

# Varsity Track Starts Practice

## Twenty-Three Men Report To Coach Striplin For Sessions

Twenty-three men have reported for varsity track with many more being expected to show up next week. Practice sessions started Monday and have continued throughout the week.

Coach Striplin announced that he expected more men to report later on in the season when football and basketball practices are over. Bad weather conditions has forced all

outdoor activities to be suspended, so that the team is now practicing in the gymnasium.

Willis and Rogan were to participate in the Butler relay this week, but due to bad weather they have been unable to take their daily workouts, so the trip to Butler has been postponed.

Coach Striplin said that he expected everyone to go into strict training on or about April 1, as the meet with Vanderbilt is scheduled for April 17.

The following men have reported for practice this week: Captain Willis, Heinmen, Simpson, Rogan, Rankin, Nevers, Hillard, Hillenmeyer, Deanna, Spragins, Doyle, Durbin, Hawkins, Thomas, Olney, McDowell, Lancaster, Rodenhorn, Miller, Steckmeil, Veal and Raynor.

# UK Mermen Win Over Morehead By 41-34 Count

The University of Kentucky swimming team opened Morehead's season Wednesday night by defeating the Teachers 41 to 34.

The score would have been more in favor of Kentucky, but for the fact that Bob Freeberg, who finished ahead of all the swimmers in the 90-yard backstroke, was said to have used an illegitimate turn and was counted out of the picture as far as that event was concerned.

The results are as follows: 200-yard relay—Kentucky (Reid, Triplett, Hinklebein, Roberts) 2:18; 90-yard breast—Hinklebein (K), Morat (K), Bell (M), 1:17; 90-yard back—Riley (K), Vanderpool (M), Conn (M), 1:14; 90-yard dash—Rajundus (M), Reid (K), Hinklebein (K), 1:57; Diving—Morris (M), Sherman (K), Bell (M); 60-yard dash—Morris (M), Sherman (K), Reid (K), 1:32; 210-yard swim—Kessler (M), Roberts (K), Rajundus (M), 2:42; 180-yard medley relay—Kentucky (Freeberg, Morat, Hinklebein), 2:05.

## W.A.A. News

Tomorrow is the day we leave for Cincinnati to take part in the yearly Play Day. The teams that are being entered are basketball, swimming, volleyball, and deck tennis. Those who haven't signed up to go yet must see Miss Averill immediately.

Basketball practice will continue until the vacation. Then tumbling will begin.

As soon as the weather clears up and the tennis courts are fixed, the play will start. If you don't know much about the game now, start finding out something about it by getting that racket and coming over to the gym.

The council will meet at 5 o'clock Monday afternoon in the Woman's gym. The main business to be discussed is the conference which will take place April 10 in the Woman's building. Several colleges have already signified their intent to send delegates to Lexington.
